CEREMONY LOCATIONS

A ceremony is the place where a marriage begins, and what better location to say 'I do', then at Peterson House. We have three different options for you to explore including our stunning Chapel, By the Vines, or the Front of Chapel.

At Peterson House your ceremony isn't just a formality, it's a moment. Choose between our chapel for timeless drama or the vineyards for that soft romantic vibe. Regardless of the space you choose, we are on hand to ensure everything is expertly timed so that you never feel rushed. We cue the tunes, wrangle the guests and quietly make it all look effortless. All you have to do is show up, breathe, and get married in a place that knows exactly how to bring the magic.

Take the first step into your new life, a little like walking through the barrier onto platform nine and three quarters. Cinematic, and a moment that is wildly iconic in the best possible way.

After your ceremony and family group shots, we move into cocktail hour! Whilst you're roaming our beautiful property for your portraits as a newly married couple, your guests will be indulging in canapés and some pre-dinner drinks.

There are two location options for your cocktail hour - our Chapel Bar or our Canapé Deck that overlooks the vineyard.

During this hour you will need to think about either enabling a cash bar, where your guests can purchase their own drinks, or setting up a pre-paid bar tab. You can even extend your beverage package. Want to bring the extra vibes? Keep reading to find out more about our cocktail upgrades!
